Ayer's Pills.

A RE YOU SICK, feeble and complain-ing? Are you out of or-der, with your system ing? Are you out of or-der, with your system deranged, and your feel-ings uncomfortable?— These symptoms are of-ten the prelude to serisickness is creeping up-on you, and should be averted by a timely use

of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in ealth again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and deranges its natural functions. These, if not relieved, re-act upon themselves and the surrounding organs, producing general aggravation suffering and derangement. While in this condition, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly and many of them surely cured by the same means. None who know the when suffering from the disorders they cure, such as Headache, Foul Stomach, Dysentery, Bilious Complaints, Indigestion, Derangement of the Liver, Costiveness, Constipation, Heartburn, Rheumatism, Dropsy, Worms and Suppression, when taken in large doses.

They are Sugar-coated, so that the most sensi tive can take them easily, and they are surely the best purgative medicine yet discovered.

Ayer's Ague Cure.

FOR THE SPEEDY CURE OF Intermittent Fever, or Fever and Ague, Remittent Fever, Chill Fever, Dumb Ague, Periodical Headache or Bilious Headache, and Bilious Fevers, indeed for the whole class of Diseases originating in biliary Derangement, caused by the malaria of miasmatic countries.

This remedy has rarely failed to cure the severest cases of Chills and Fever, and it has this great advantage over other Ague medicines, that it subdues the complaint without injury to the patient. It contains no quinine or other delete-rious substance, nor does it produce quinism or any injurious effect whatever. Shaking brothers of the army and the west, try it and you will

endorse these assertions.
